

Accounts Systems

Sage accounts, Sage payroll, Sage HR, ACT CRM, the complete business suite

Accounting systems are the life blood of any business; financial control is the most important part of your business after sales.

In today's financial climate, cash flow is king! a good financial system will help to control your finances and reduce debtor days providing you more capital.

tri-it can advise you and supply the best system for you. If you are a small company you may want to consider the **Sage 50 suite** which provides a complete business solution.

For larger organizations

- **Sage 200**
- **Pegasus Opera II**

Provide advanced functionality and specific modules to cater for **vertical markets** such as

- **Sage 200 manufacturing**
- **Sage 200 Retail**
- **Sage 200 Project.**

Choosing the right accounts solution depends on your business requirements, which is why good sound advice is essential.

tri-it have staff who have years of practical experience in advising company's on the correct accounts solution for their business.

All our staff have a stake in tri-IT which means as stakeholders we always go that extra mile to make sure we support your business.

What makes our services different from other suppliers?

All our staff have a part ownership of the business, they do not just work for a basic wage, which means that as a company we are focused on our customers and their business.

Our goal is to always go that extra mile!
